**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm stuck with one provider. They can charge whatever prices they want. This is not fair. We need competition! Every year they try to raise my rates. I now live in a neighborhood that does not have fiber. This makes no sense. I'm surrounded by a neighborhoods that have options. I have one option and they know it, and treat me like they know they can get away with murder and they can. Consider the guy on the bottom. We need someone looking out for our interests as well.
